

**Georgia-Cumberland Pathfinder Camporee Program
Participation Request Form**

Must be postmarked on or before March 7th

A component of our conference Camporee is to highlight local Pathfinder talent (musical, vocal, instrumental, puppets, skits, etc.) Therefore, it is our goal to incorporate Pathfinders in all our programming. Participants must follow Pathfinder content and timing guidelines. In order to assist in this all participants doing skits or needing musical accompaniment must submit an audio tape of their presentations with this form. This same audio tape will be used at the Camporee if your talent is selected for the Camporee. We will utilize as much Pathfinder talent as time permits.
