

Spring, 2011

Dear School Administrator,

Please allow me to introduce myself. My name is John Swafford. I am the regional director for *Pathfinders*, a worldwide youth organization of the Seventh-day Adventist church, serving young people in grades 5-12. My territory includes Georgia, East Tennessee, and Cherokee County, North Carolina.

The purpose of this letter is to request your help in working with the student listed below during the time of our annual Camporee which will take place, April 14-17, 2011, at Cohutta Springs Camp in Crandall, Georgia. Over 1400 will attend. Camporees are held every year. These events are packed with active learning and life-changing experiences. There are educational and cultural activities, as well as exhibits and programming.

The student named below has purchased a ticket in anticipation of attending the camporee. Our request is for consideration to be given regarding the student's class work and school days involved during this educational experience, as well as travel days needed. Please feel free to call me if I can supply more information as you make your decision about this student.

Sincerely yours,

John A. Swafford, Director
