Bring: Camping gear, food, canoes (if you have them). There is no launching fee if you bring your own canoe. Bring enough life preservers for each person in a canoe.

Canoe rental is \$25.00 per 8 hours. You must pay the 8-hour rate to reserve them. PLEASE NOTE: The conference is not providing the canoes.

Okeefenokee only has 50 canoes to rent. They normally do not take money for the canoes until the morning of the day you are renting the canoe, however they stated if you tell them we are SDA's and would rather pay on Friday they will do that. So mention that to them at the time of reserving your canoes.
