

School Board Authorization for Camporees

This form should be completed when the Pathfinder camporee involving a school day is authorized as a school function by action of the school board, and filed with the school board minutes. One school day may be used for the Pathfinder Camporee. For those who have to travel several hours, Pathfinder students may be dismissed early on Thursday. Two days may be used for a Union-wide Camporee, plus a travel day if needed. Weekend days may not be counted as school days.

School _____ Date _____

The Pathfinder Camporee has been authorized as a school function by school board
Action # _____.

Pathfinder leaders and others designated as school personnel for this event:

Date of Camporee _____

Authorization:

School Principal/Head Teacher _____

School Board Chair _____

If the local school board decides to approve the Camporee as a school function for those students who go, this must be authorized in an official action by the school board and recorded on this form. File in local school. Do not send this to the conference office.

Elementary schools and junior academies must secure approval from the Conference Office of Education for all overnight school trips. Use Overnight Trip Request Form.
